#### FOR A BAD COUGH

Here is a fine old-fashioned recipe for coughs colds or catarrh trouble that has been used with sreat success. Get from your druggist 1 cunce of Parmint (Double Strangth), about 75c worth, and add to it 1-4 pint of hot water and 4 cunces of granulated sugar. This will make full half pint when mixed. Take one tablespoonful 4 times a day.

No more racking your whole body with a cough. Clogged nosrils should open, air passages of your head clear up so you can breathe freely. It is easy to prepare, costs little and is pieasant to take. Anyone who has a stubborn cough, or hard cold or catarrh in any form should give this prescription a trial. Here is a fine old-fashioned
